

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

CLARENCE BECKS,

Defendant.

**8:18-CR-81**

**ORDER**

This matter comes before the Court on Defendant's motion for reduction in sentence or compassionate release, [Filing 66](#). This is Defendant's sixth motion for compassionate release under [18 U.S.C. § 3582\(c\)\(1\)\(A\)](#). Defendant argues, as he has in each of his previous motions, that compassionate release is appropriate because of his diagnoses for multiple sclerosis, chronic hypertension, and neuropathy. While the Court is sympathetic to Defendant and his health conditions, the Court has considered his arguments several times and concluded that a reduction of his sentence would undermine the sentencing factors in [18 U.S.C. § 3353\(a\)](#). The Court previously advised that it "does not intend to grant Defendant a sentence reduction or any other relief now or in the future based upon the allegations and evidence provided." [Filing 57 at 4](#). Defendant presents no new evidence that would cause the Court to reconsider this conclusion. Accordingly,

IT IS ORDERED: Defendant's sixth motion for reduction in sentence or compassionate release under [18 U.S.C. § 3582\(c\)\(1\)](#), [Filing 66](#), is denied.

Dated this 9th day of June, 2021.

BY THE COURT:

Brian C. Buescher  
United States District Judge
